At Children of Christ Preschool your child will:

- experience literature, pre-reading & pre-writing skills, and pre-math skills.
- participate in small group experiences that will help enhance social interactions, friendships, and relationships with teachers and peers.
- experience quiet and active play, both indoor and outdoor.
- participate in teacher-directed and child-initiated activities.
- experience snack time that develops independence by allowing children to be involved in table setting, passing, serving and pouring for themselves.
